This bulldog, our mascot, represents the fighting spirit and the never-give-up determination of Colfax High. To us, the students of C.H.S., whether spectators or players, he stands for sportsmanship, fair play and loyalty.

Dedication

To Howard Moses, for his leadership, service, and loyalty to C.H.S. during his seventeen years as teacher, vice-principal, principal, and superintendent, we sincerely dedicate this thirty-sixth volume of the Blue and Gold.

Principal

As principal of Colfax High School my chief desire is to do all I can to help each and every student develop into a more useful citizen; to be able to take his place with confidence in college or community life upon graduation.

In the fall of 1948 the class of 1952 entered the halls of C.H.S. as timid "green frosh." As a welcome we were given a Senior-Frosh show and a Sophomore-Frosh party. Later both were reciprocated.

As Sophomores we gave the Frosh a welcoming party and through our energy won the honor of being the top class in the Blue and Gold tag sale.

Our Junior year was a more active one. We gave a very successful prom entitled "Some Enchanted Evening," held a scrap drive, and last of all, put on the Junior-Senior Banquet.

In our Senior year we at last gained the heights which had seemed so distant when we were timid green freshman. To begin the year we gave the little Frosh a theater party and later had several parties of our own, sponsored the Homecoming Activities, and to top things, presented the senior ball with the theme, "Aloha."

Our advisers, to whom we owe a great deal are: Miss McDonald, Mr. Mahlik, and Mr. Dell.

Looking back to three years ago, we cannot believe that these kids were "green" Frosh. This Junior class has really accomplished a lot in high school and we expect to see more of its fine work in the coming year. The first affair this year was the successful prom, "Stairway To The Stars," with Joanne Schneider reigning as queen. With much determination, this class won the Blue and Gold tag sale last fall. This class also bought a flag for the gym which was dedicated at the District Tournament. The final affair was the Junior-Senior Banquet. Hats off to the Juniors!

To start the year off right, they gave the Soph-Frosh party, which was enjoyed by all. Yelling at the top of their lungs, they won the cowbell at basketball time. This class, with its spirit and enthusiasm, will go places in C. H. S.

When school opened this fall, you probably saw many new faces peeking around the corners in C. H. S. Yes, these were the "Green Frosh." To make them feel at ease, they were given the annual Senior-Frosh show and Soph-Frosh party. We want to congratulate them for their fine spirit in winning the cowbell at football time. The Freshmen have a fine class and we are sure that they will accomplish much in the next three years.

A few changes have been made in the format of the paper, but as always the cat tails are read first by the students. Through the weekly publication of the "Cold Facts" the students and citizens of Colfax have kept informed of the activities of and about C. H. S.

Hats off to the Journalism class and Mr. Dell for a fine paper.

Girls' Federation

The 1951-1952 school year has seen an active Girls' Federation. The girls started the season off with their annual Mothers' Tea and later in the year entertained their fathers with a party.

The athletic teams were honored with Football, Basketball, and Baseball-Track-Boxing banquets, at which the awards for those sports were given.

Girls' Federation Council entertained the Pullman Girls' Federation Cabinet with a dinner and attended a return dinner in Pullman and the first of April also were present at a tri-state convention at Milton-Freewater, Ore. The girls sold candy and pop, and, under the Junior Red Cross, filled boxes for overseas, donated money, and made toys for children's hospitals.

The National Athletic Scholarship Society is in its twenty-fourth year. During this period of years two-hundred and fifty thousand student members have been enrolled in the club. This is its sixth year in Colfax High.

The underlying principles of the organization — high scholarship, balanced training, good sportsmanship, and proper ideals of leadership — are instilled in the character and lives of its members.

This year the club consisted of eleven members. One of the activities they sponsored was the girls' Redhead Basketball Team with the proceeds going for better athletic equipment.

Two impressive initiations were also held, a formal one in the fall and a banquet in the spring.

This year Colfax F.F.A. Chapter will receive its second Master Chapter Award from the State F.F.A. Office.

Colfax's State F.F.A. Reporter Don Hill has been very busy with his job of reporting on important events and happenings in the state.

Rods and Rings, a new organization in C.H.S., is limited to boys who own an automobile or have one at their disposal at least seventy-five percent of the time. However, if a member violates a traffic law, he is automatically dropped from the club.

The purpose, as taken from the constitution, is this: "to encourage safe driving habits, to learn the mechanical parts of the automobile and ways to improve them, to bring together members and to improve social activities, this organization is established."

At our meetings many discussions are held about hot rods and the methods used to gain greater horsepower without sacrificing economy. Some minor changes employed to accomplish this are dual exhaust, reground camshafts, high compression heads, and dual carburetors. Plans for a drag strip supervised by the state patrol have been considered along with plans for social activities.

Features

Freshmen Cup Recipients

John Morgan, Kay Baker

The outstanding Freshman boy and girl are chosen every year for their scholastic ability, leadership, personality, and popularity. This year we want to congratulate Kay and Johnny for being chosen for this honor.

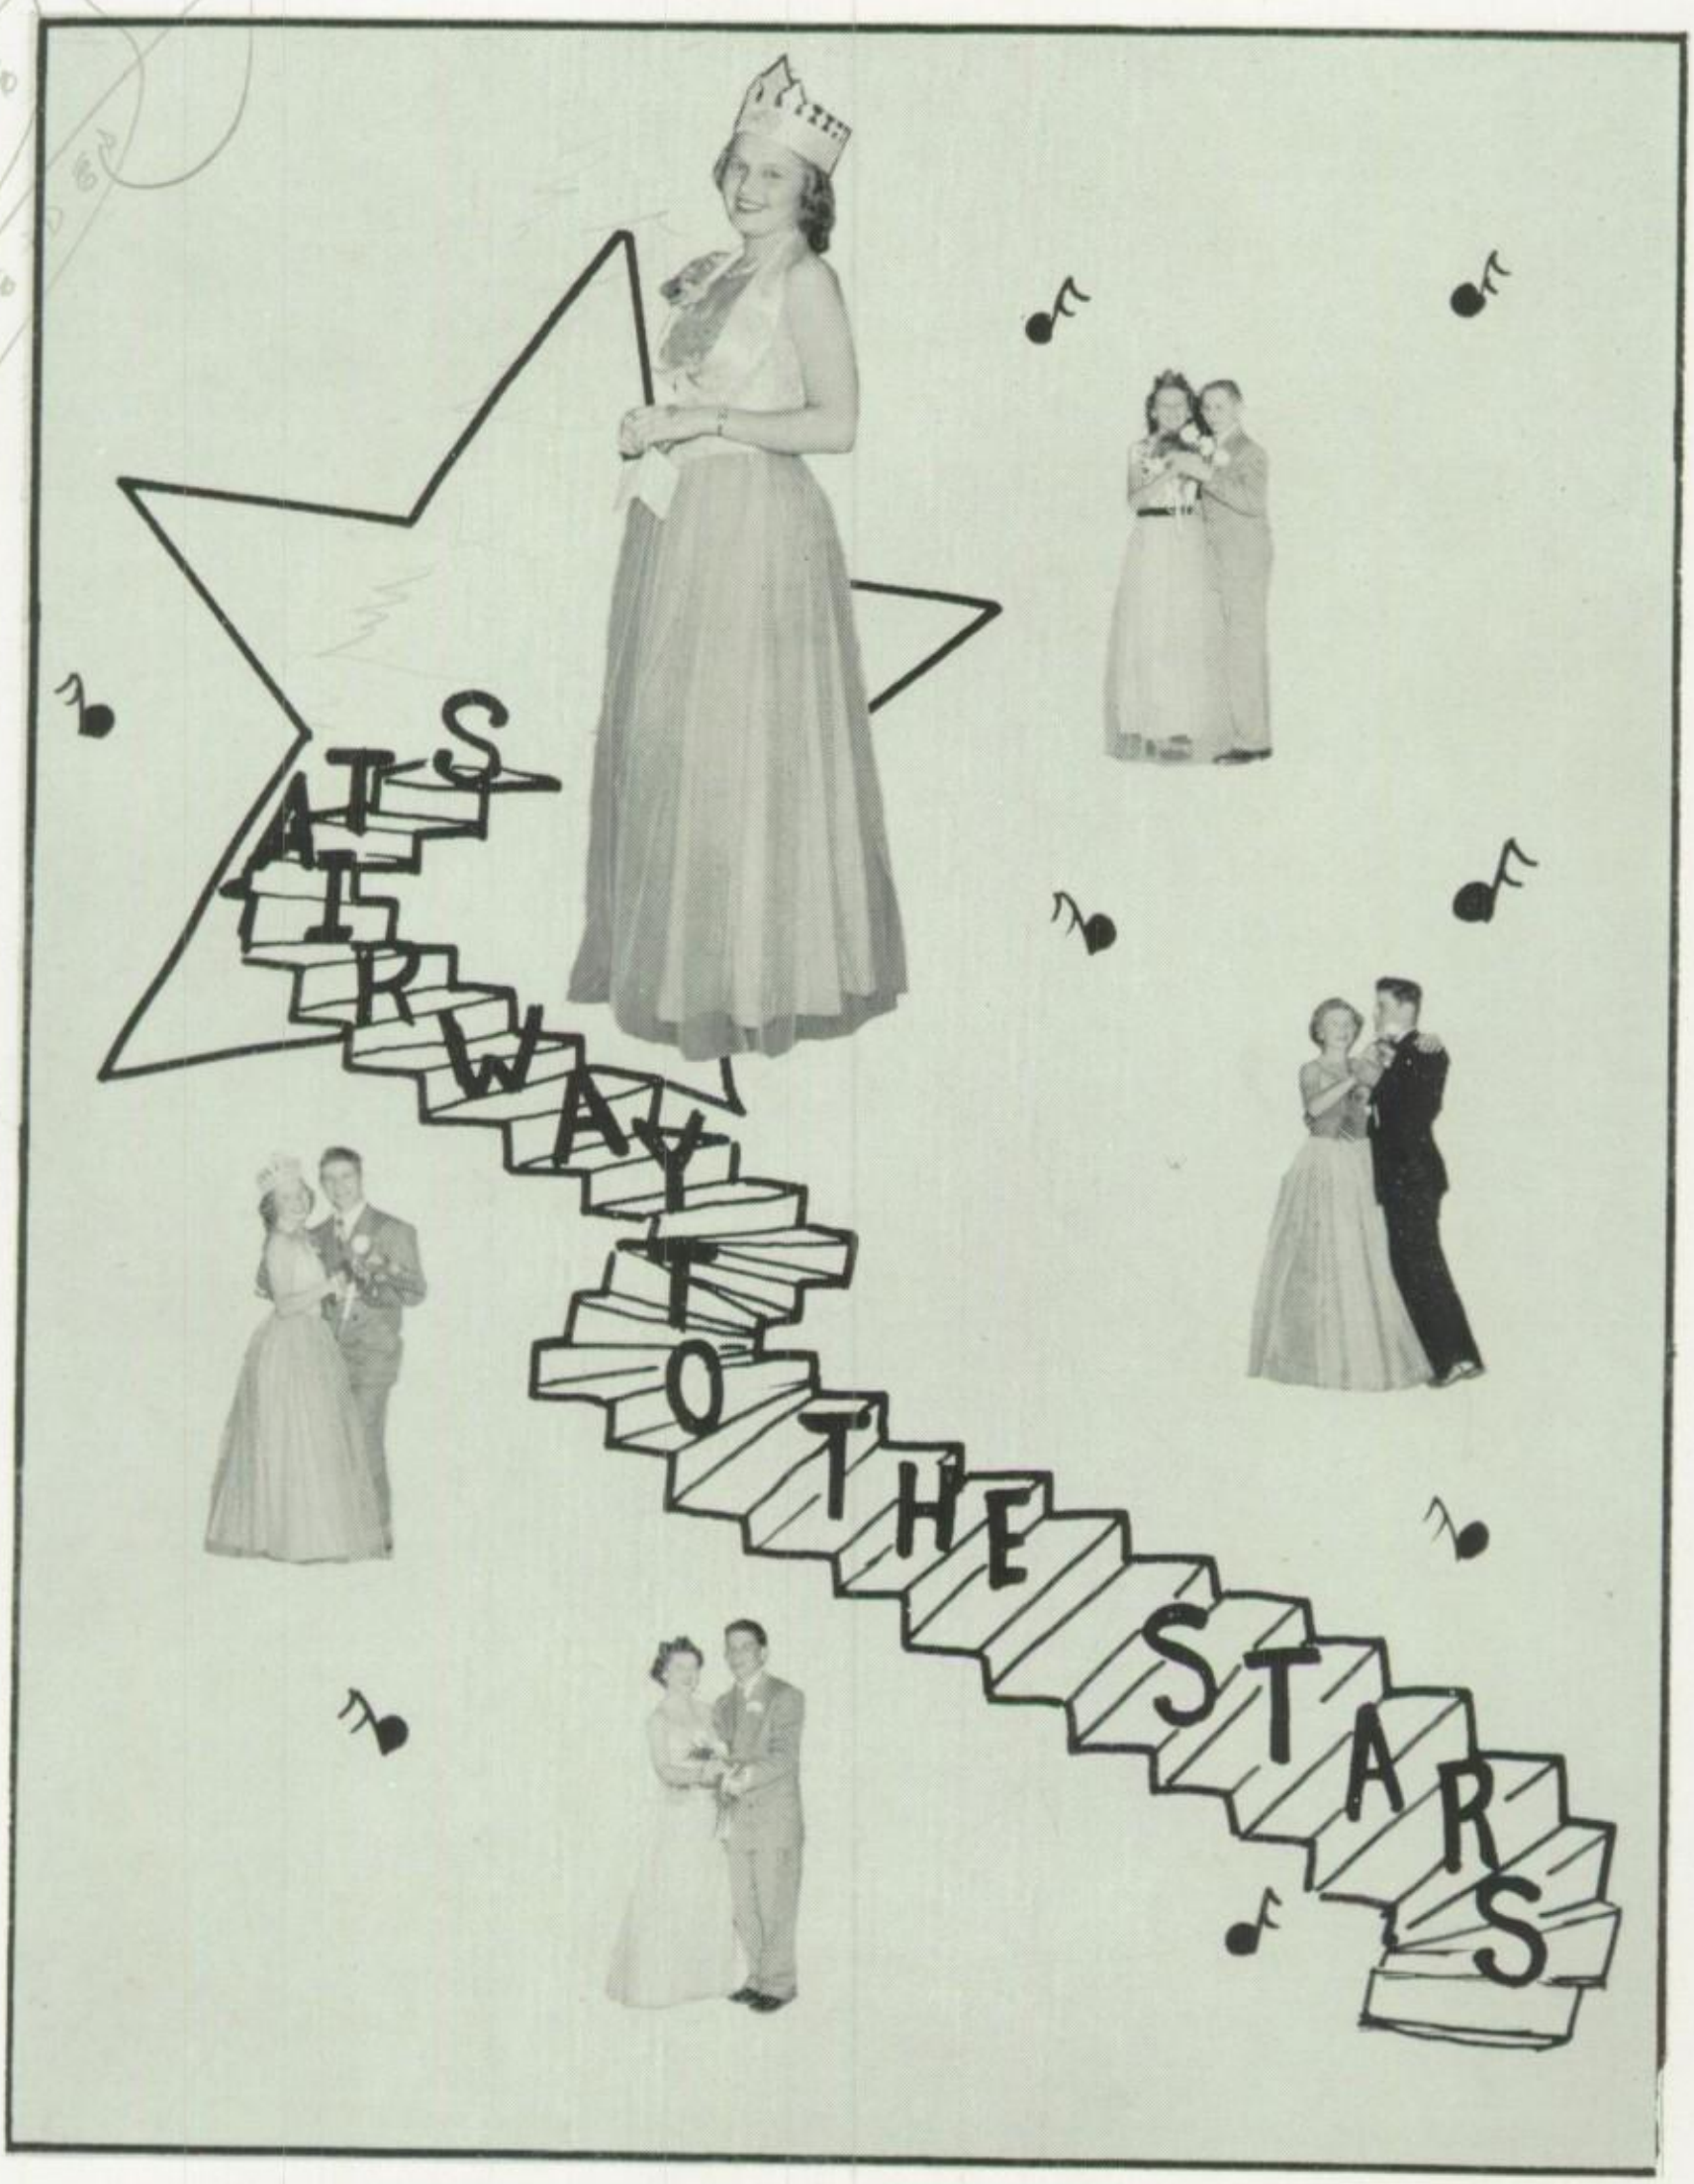
Yell Leaders

Left to right: Marilyn Smawley, Bonnie Ackerman, Doris Wise

The yell leaders this year have really done an outstanding job, and with the cooperation of the student body, their enthusiasm has helped to bring many victories to our football and basketball teams. We want to congratulate them for their excellent work.

Bonnie Ackerman, a senior, was the yell queen this year. She has done a grand job at yell leading for the last two years and everyone will miss her when she leaves C. H. S.

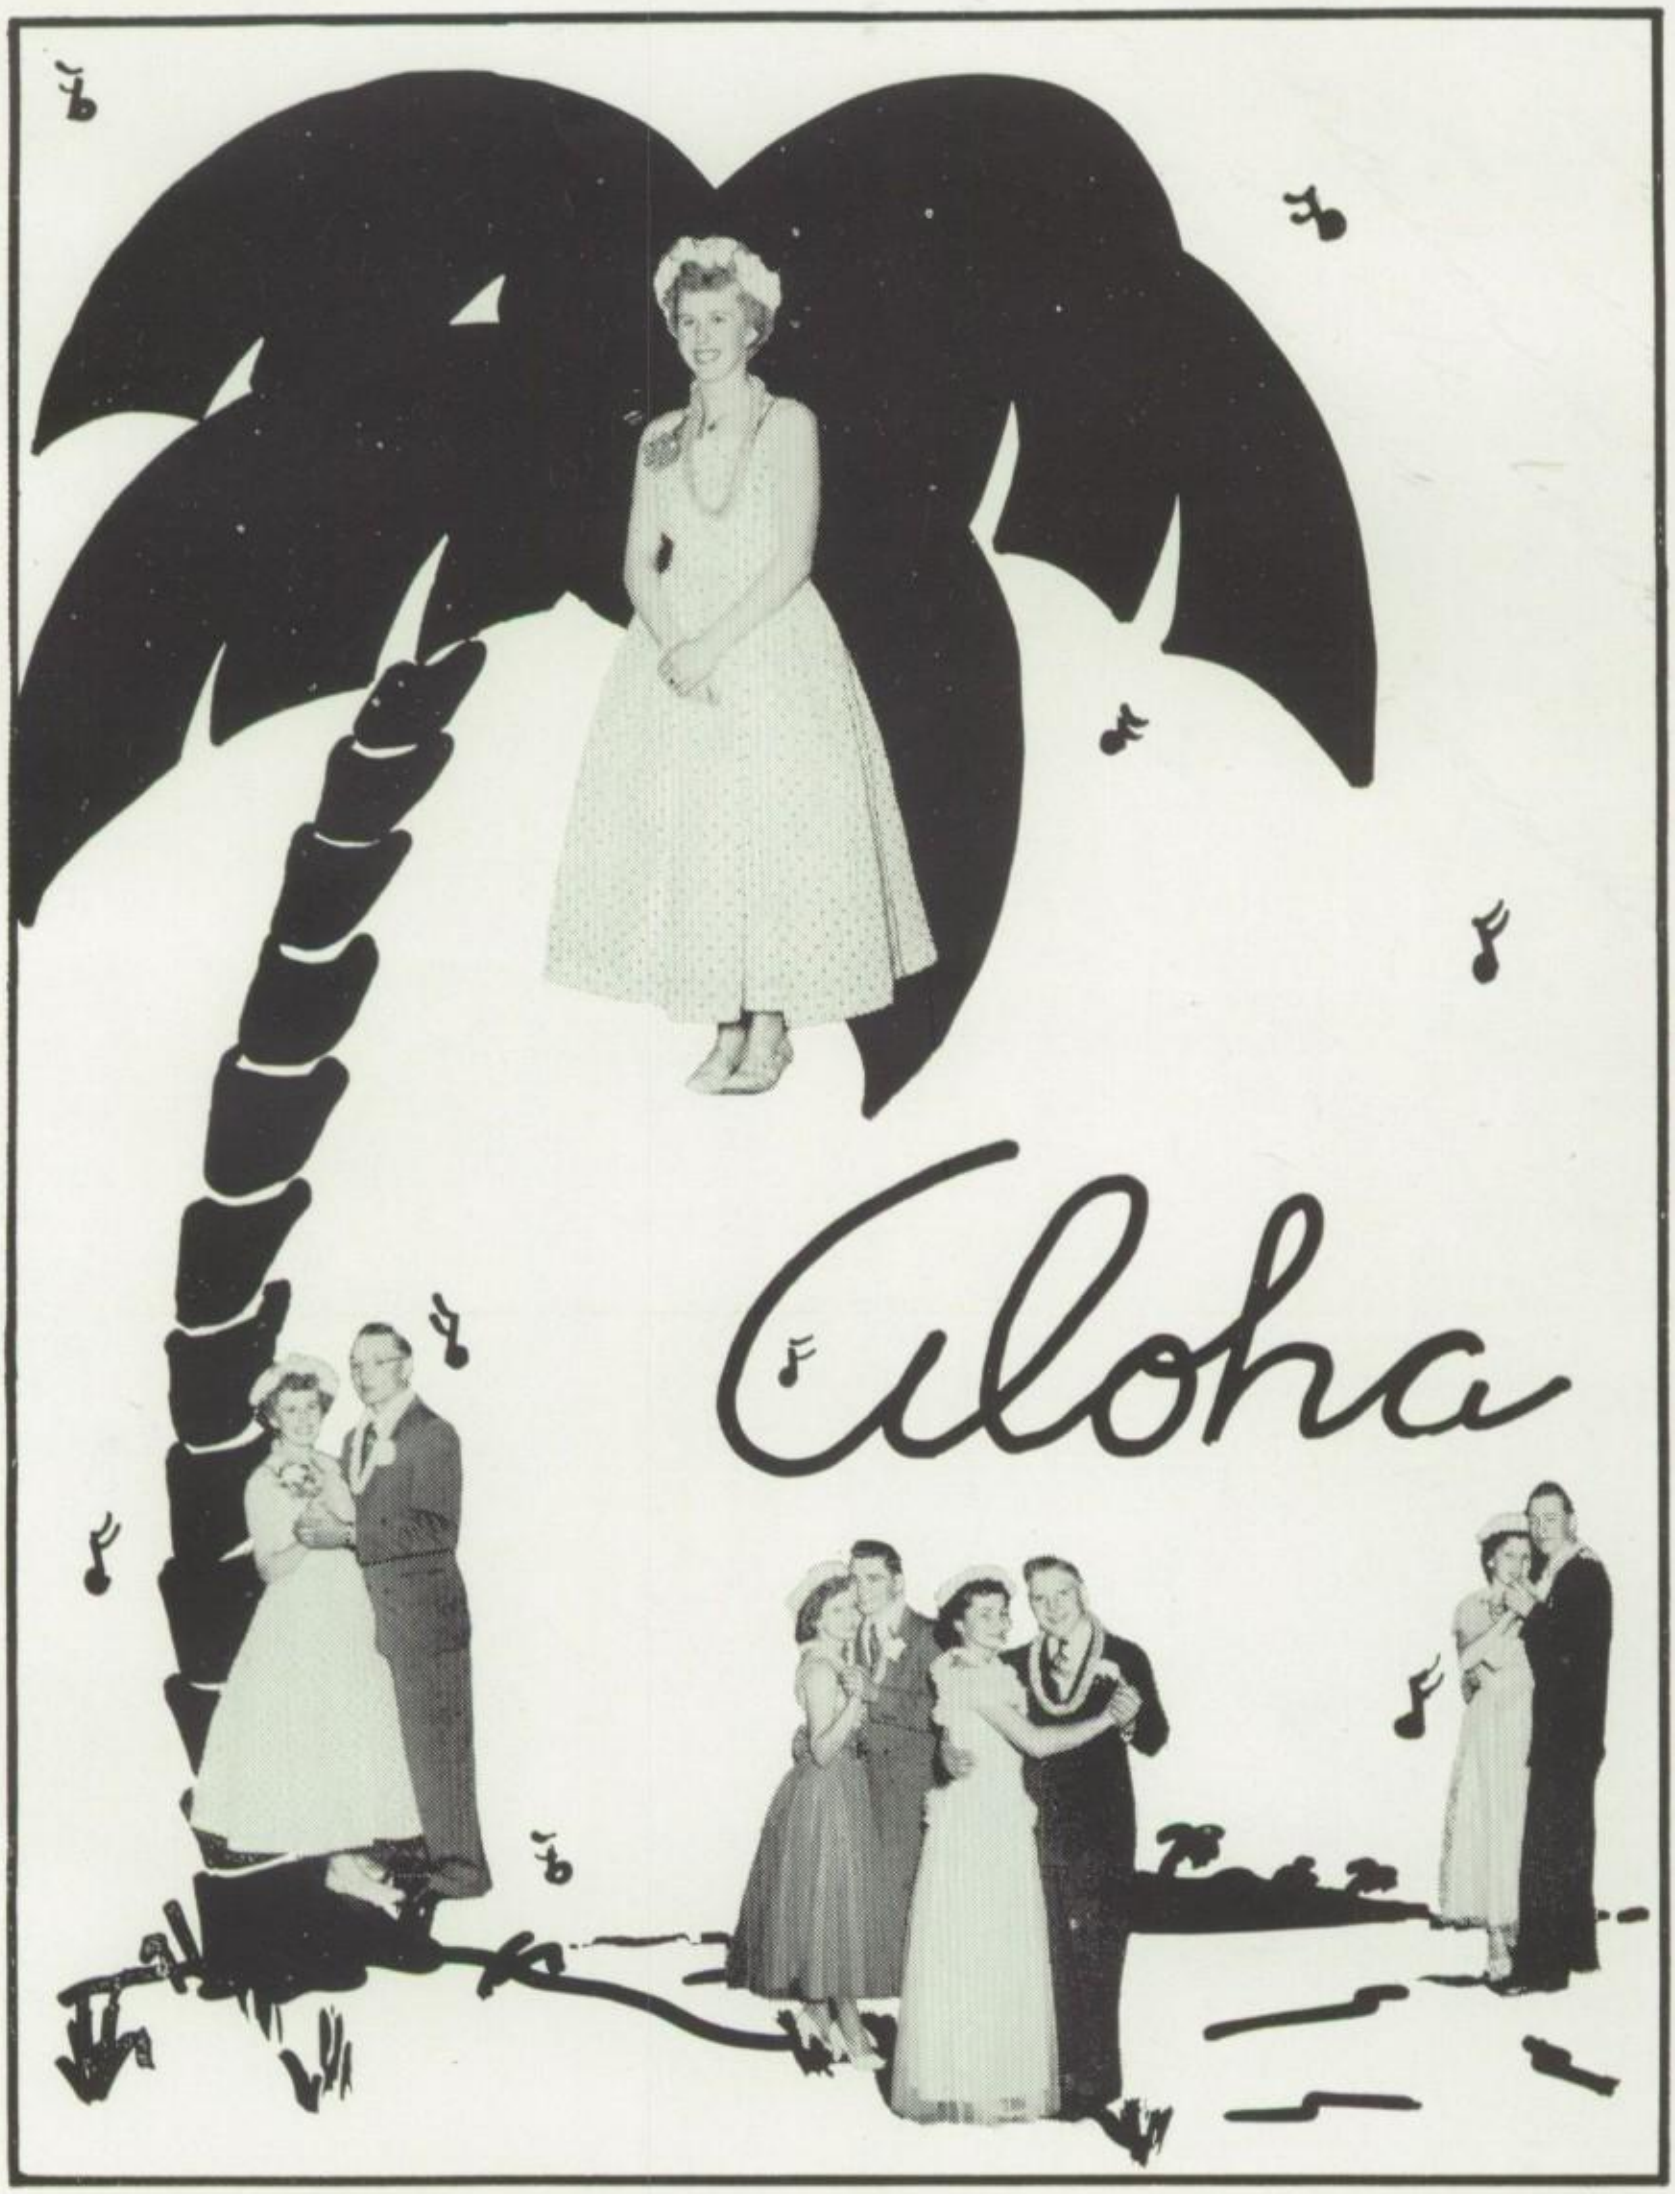
Junior Prom



November 17 was the night of the very successful Junior Prom, "Stairway To The Stars." Bernie Ackerman and his orchestra furnished the music. The colors of pink, blue, and silver were carried out in a beautiful scheme along with pine boughs and silver stars. Joanne Schneider reigned as queen, while Pat Henry, Peggy Nelson, and Ann Torrance assisted her as princesses.

This Prom was one of the best attended dances that has ever been held in C.H.S. and it was enjoyed by everyone.

Senior Ball



The senior class this year presented the annual senior ball on April 19, entitled "Aloha." The gym was beautifully decorated in dark green, orange, yellow, and red with Hawaiian settings. Music was furnished by Perry Pring. Crowned queen was Miss Margaret Doty . Attending princesses were Beverly Faires, Sharon McClintock, and Shirley Heidenreich.

Homecoming

One of the big events of the year was the annual Homecoming game with St. Pat's of Walla Walla on October 27. High lights of the program were the large bonfire rally held at the field Thursday night and the very successful parade held downtown on Friday afternoon. A very colorful array of floats and decorated cars participated in this event, first prize being awarded to the Junior class. At the half-time of the game Friday night, Homecoming Queen LaVonne Willson and Princesses Margaret Doty and Bonnie Ackerman were crowned by football team Captain, Jack Pierce. Following the Bulldog victory, a dance was held in Room 14 honoring the royalty and football team members.

Colfax F.F.A. parliamentary procedure team turned in a good number of wins in contests this year. These boys have something to be proud of — they are the third best parliamentary procedure team in the state of Washington.

Led by a quick thinking, parilamentary-wise president they reached the state contest where they were surpassed by only Mt. Baker and Wenatchee.

The splendid success of the team brought to C.H.S. the first parliamentary procedure banners for the Colfax F.F.A. chapter.

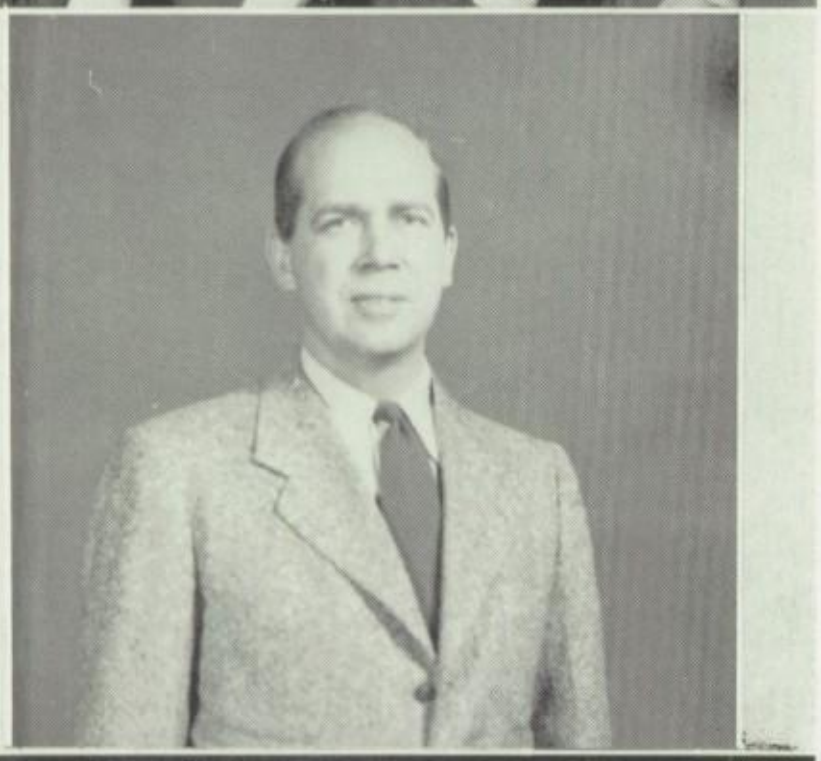
Following its fall concert this talented group presented a complete program at the St. John high school, and following its spring concert, sang several enjoyable numbers at the county music festival at Palouse.

One of the biggest and most important events was the annual Eastern Washington music festival held in Spokane. The three college professor judges unanimously awarded the chorus a Superior rating and praised the group and its director, Blaine L. Harbaugh, for the well-polished manner in which it presented its numbers.

BOYS' QUARTETTE

The Boys' Quartette has had a very successful year, singing for various civic organizations and adding much to the fall and spring concerts. This spring they received a superior rating at the Eastern Washington Music Festival in Spokane, the third consecutive year for such a rating.

The boys are: Ben Luce, first tenor; Gary Heilsberg, second tenor; Ben Stueckle, baritone; Ronald Moore, bass.



BLAINE HARBAUGH

Blaine Harbaugh has been the skillful director of the chorus for six years and band director for his first three years here.
In this time his patience and hard work have been responsible for his excellent choruses, ensembles, and soloists who have always received high ratings at contests and much applause at concerts. This year in the Eastern Music Contest, all of his four entries received Superior or first place ratings, which, needless to say, is indicative of his ability in the musical field.

GIRLS' TRIO

The Girls' Trio has appeared at different organizations throughout the city of Colfax this past year, and they took part in the Eastern Washington Music Festival in Spokane where they received a superior rating, the fifth year for this honor for the girls' ensemble. The Girls' Trio, like the Boys' Quartette, was one of the outstanding groups at the Festival.
The girls are: Charlene Ireton, soprano; LaVonne Willson, second soprano; Gayle Neumann, alto; Lois Aeschliman, accompanist.

Opening the year with many tender and inexperienced feet the Band marched in the annual Shrine Jamboree and came out on top.

This year, the fourth under the outstanding directorship of A. G. Tiemann, Jr., has proved to be one of the best years the C.H.S. Band has had for a long time, and next year promises to be even better.

Although considered a Class C organization, the Band entered Class B in the music festival contest held in Spokane and received a rating of excellent.

Besides the Shrine Jamboree they played for parades, the county fair, the horse show, Flag Day ceremonies, and gave two outstanding concerts, proving that the Band is a real asset to the school and community.

Our members of the Band closed the year by appearing in the Spokane Lilac Festival bringing home, along with their tired feet, a fine feeling of successful achievement.

Cornet Trio

The cornet trio proved to be the outstanding musical ensemble of the year. Playing at the spring concert as the three Jacks, this trio, Jim Goodrich, Jerry Schierman, and Joanne Schneider, won quite an ovation.

A. G. Tiemann Jr.

Colfax is fortunate to have as its Band director Mr. A. G. Tiemann, Jr., for in him there is a push and determination that instills into the members of his organization the spirit and vitality that makes them so noteworthy.

We salute and thank him for the long hours and sleepless nights he has spent making a band of which Colfax can be deservedly proud!!

Twirlers

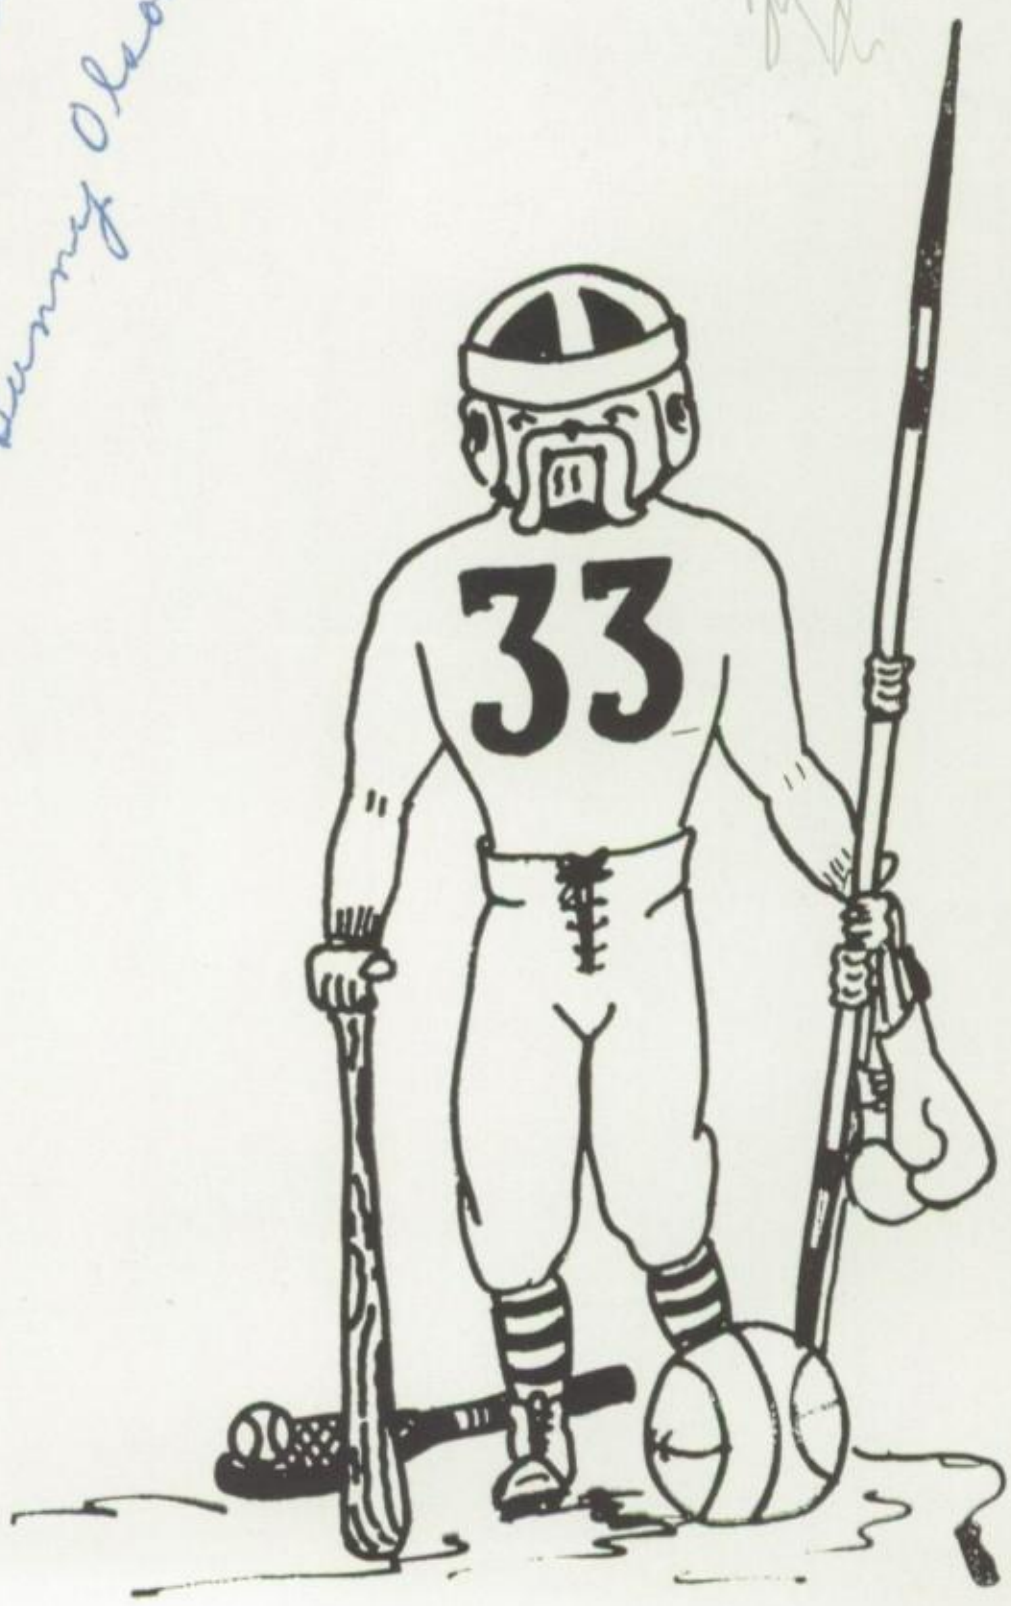
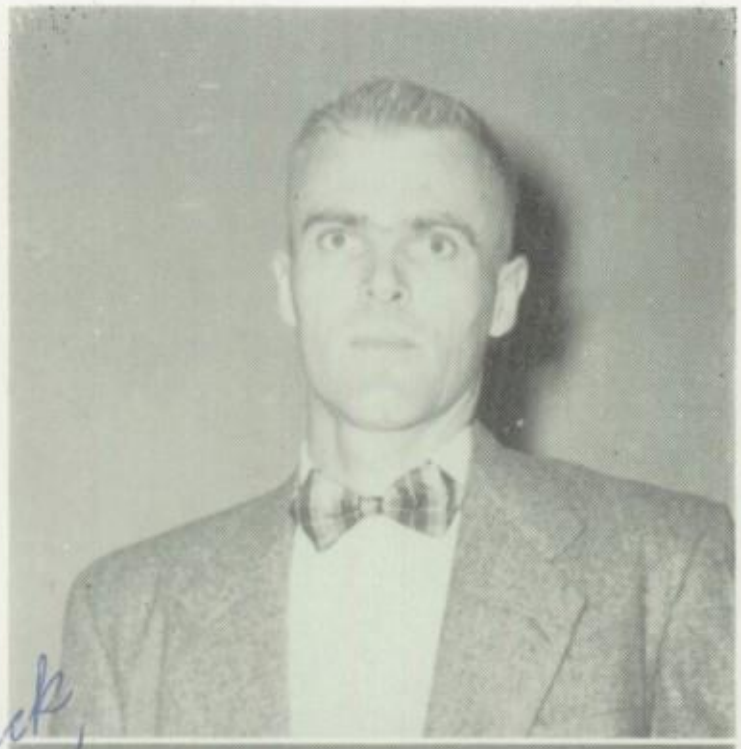
The baton twirlers and the flag twirlers, under the direction of A. G. Tiemann, appeared in several performances this year, including the Whitman County Fair, football bames, basketball games, and the Lilac Festival.

Sports



Coaches



Good luck,
Coach Pyne

DICK FELBER

Richard Felber, football, boxing, and track coach here at Colfax Hi for the past eight years, turned in another banner year in athletics in the 1951 and 1952 season. His football squad rounded into a top flight eleven. In boxing Felber's mitt team placed fourth in the state championship tournament at Mt. Vernon and grabbed off second spot in the district meet. Felber put track back on its feet this spring and brighter things are promised in the future.

LEN PYNE

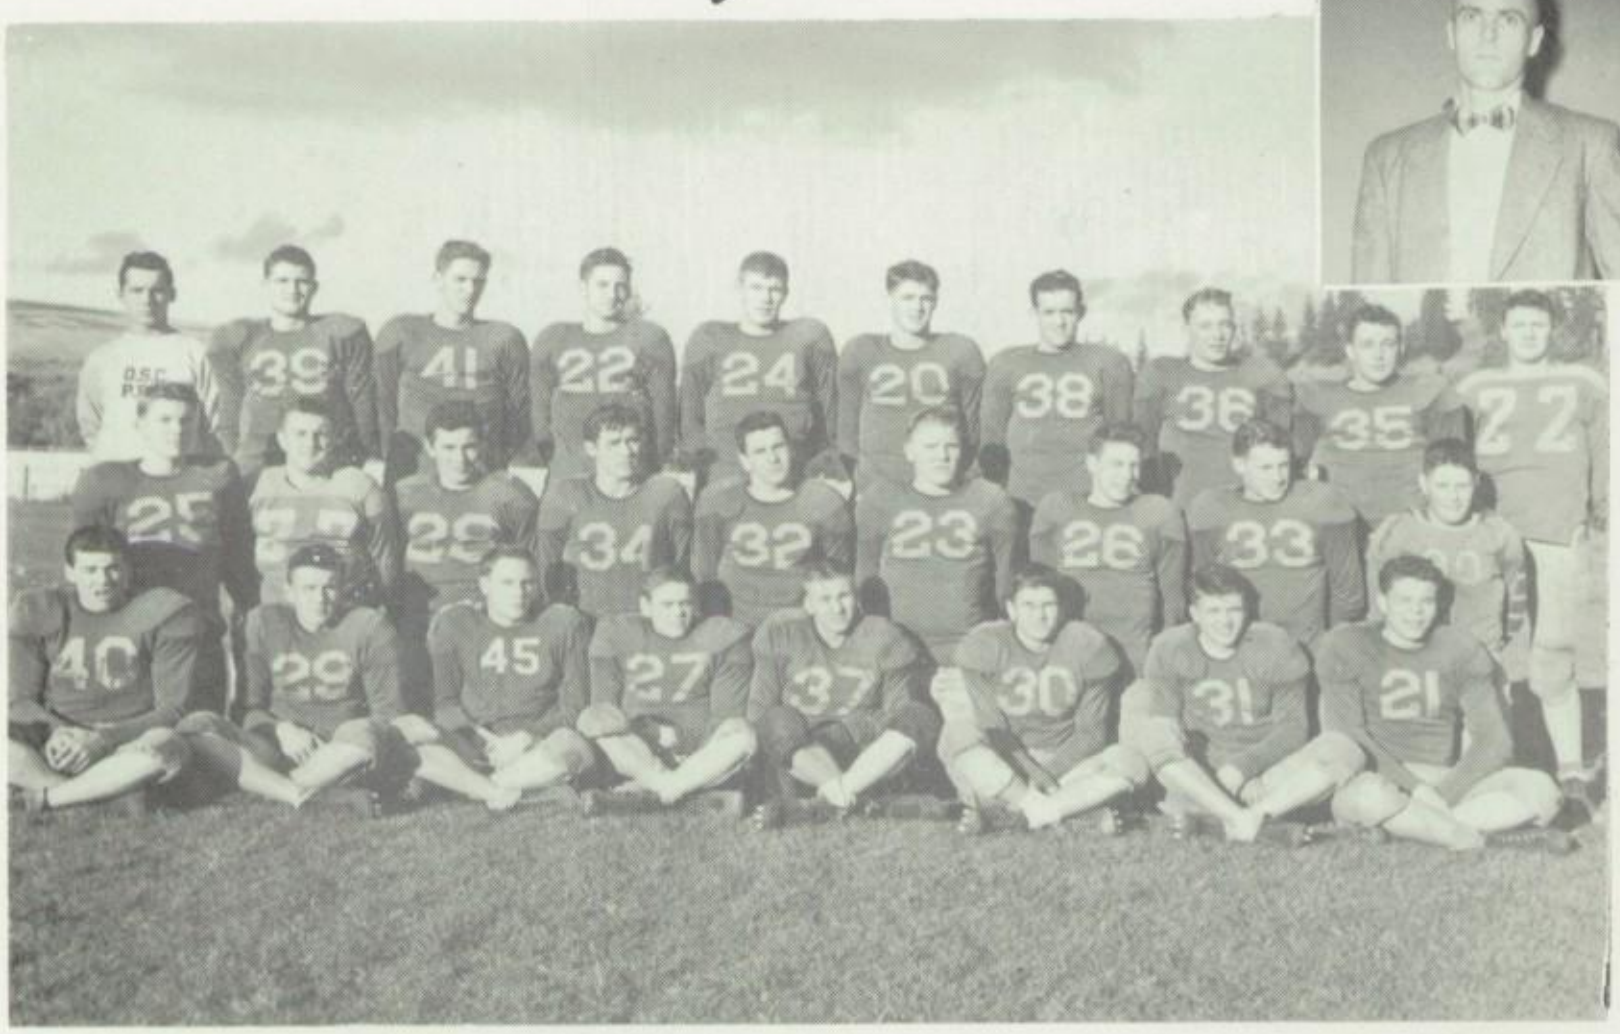
Switching to basketball and baseball, we have Leonard Pyne, who has been head man in those two sports for five years now. Mr. Pyne's basketball quintet had a better than average season and although his job in baseball this year has been one of rebuilding, the team promises to be one of good calibre in the near future.

WILLARD KAISER

Willard Kaiser, assistant basketball mentor, turned in his usual fine job of preparing the underclassmen in the basketball fundamentals and getting them ready for future varsity assignments.

Also deserving credit is Mr. Everett Taylor, who skippered the golf and tennis squads to more than enough of their share of good playing and victories. Don Jacobs, school librarian, assisted Mr. Felber in track and his valuable suggestions and training were of great assistance to the thin-clad squad.

"A" Squad



First row: Len Brown, John Huber, Darrell Presnell, Al Brown, Mel Olson, Bob Olson, Earl Kammerzell, Stan McClintock. Second row: Bill Henry, Don Roberts, Norman Sandberg, Jim Prater, Paul Codd, Pat Holbrook, Mike Henderson, Tony Hepler, Larry Whitmore. Third row: Jack Pierce, Harry Brownell, Jerry Gilchrist, Dellmer Teade, Bruce Hughes, Brian Hepler, Larry Brownell, Gene Hilty, Ben Stueckle, Bob Johnson. Inset: Coach Felber.

The football team under the fine direction of Coach Dick Felber started slowly this year but improved steadily, ending the season with four wins, four losses, and two ties. The team played some very fine ball this year and the nine seniors are going to be missed. This year Colfax placed two members on both the first and second all-district teams.

This year's basketball team under the able direction of Coach Len Pyne turned in a fine record of sixteen wins and eight losses.

The team and coach deserve much praise for their good season as no one on the team has had much previous experience. None of their losses were by more than ten points and three of the games were by one point. Seven of the team were seniors and will be hard to replace but by the looks of the fine B squad we will have another good team next year.

The boxing team under the fine direction of Coach Dick Felber had a very good season. The team is composed of Juniors and Sophomores so we are looking for some great fighting next year.

The team took second in the district and fifth in the State tournament which is a fine record. There is but one senior, Duane Colvin, on the squad, but they will surely miss him. He had a season record of 12 wins and two losses.

The track squad had a big increase in turnouts this year and Coach Felber said the prospects for the next couple of years look very good.

There are two seniors who have been consistent point-gainers: Jack Pierce in the shot and broad jump and Duane Colvin in the mile. Other good point gainers have been Tony Hepler, shot and 100 yard dash; Brian Hepler, javelin; Earl Enos, shot and discus.

Colfax has had more meets this year than it has had in some time and as our teams have become more successful, there has been a growing interest in this activity.

The baseball team under the direction of Len Pyne has had a fairly good season. It was not quite as good, however, as last year when they won the County Championship in a game that saw them defeat Steptoe 5 to 3.

The team this year lost three of its first five games, but since then has won five straight. As the squad has only four seniors it looks good for the next year. The team only lacked experience and having gained it has really gone places. With only a few games left the boys look very good.
